## WEEKEND RIDING A BIKE

### PROPOSAL FOR MINI GROUPS AND SPECIAL EVENTS

Do you want to surprise you and your friends with something truly unique?  
Are you looking for an idea to celebrate an important event with a memorable weekend to spend in the company of your most important friends?

Here you can find what's right for you, two days to live in Franciacorta where you'll have the chance to get to know the secrets of this land in an active way, accompanied by a great dose of fun!

You will stay in a farm holiday immersed in the greenery of this renowned region and you will get to know the excellence that has made it so famous, Franciacorta wine!

In fact, there will be two visits with wine tasting in two wine cellars of your choice among our proposals, and these will not be reached so easily: it will be your legs that will lead you on an exciting bike tour that will allow you to breathe the air of Franciacorta and live exciting moments!

But don't worry, during the weekend there will be plenty of moments of relaxation where you can indulge in moments of peace and quiet with your friends, taking a trip to Monte Isola, a visit to a distillery or whatever else you decide in company!

If you are looking for a unique experience, for you and your friends, maybe to celebrate a particular event, contact us now, we will be happy to organize your weekend in Franciacorta!

#### PROGRAMME OF THE DAYS

##### Day 1

You will arrive in Franciacorta with your own vehicle, around 1.00 p.m. and... you will (almost) immediately get on the saddle! A specialized guide will be waiting for you and your friends at the farm where you will stay, waiting for you to get settled and will be ready and happy to accompany you all afternoon in the beautiful land of Franciacorta, on the pedals of a comfortable mountain bike!

You will pass through lush vineyards, skirt palaces with centuries of history, stop for a short break in some of the most beautiful spots in the region but, above all, you will have the opportunity to visit two small wineries! The wineries will be chosen directly by you among those proposed, so that the bike-tour itinerary will be built in the most congenial way!

The visit for each winery will last about an hour and a half. Here you will learn more and more about Franciacorta in detail, first of all understanding the origin of the region and the importance of this factor for the structure of its soil, soil from which the precious vineyards dedicated to the production of the famous Franciacorta sparkling wine are born. Then, thanks to the passion that the oenologist or the person in charge of the reception will transmit to you, you will delve into the meanders of the cellar, discovering rooms, methods and secrets of Franciacorta wine production, very similar to those used for Champagne.

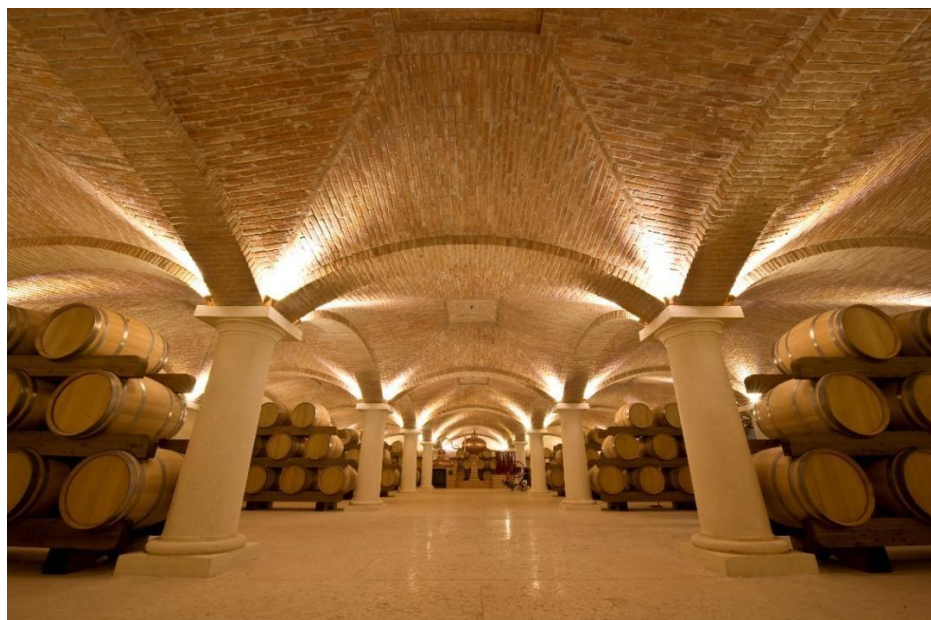

Finally, can not miss as a moment, you will conclude with the tasting of two/three glasses, icing on the cake of the visit. This will be a script that will be followed in both wineries, so that you will be able to realize the differences that can arise between two different wineries. In the late afternoon, once the bike tour is over, you

will return to the agriturismo, where you will have a dinner with a multi-course tasting menu, a bottle of Franciacorta and, so as not to miss anything, a cocktail to toast in company.

## Day 2

Breakfast in farmhouse and check-out. In the morning you will have the possibility to choose among different opportunities to enjoy the last moments of Franciacorta at its best: you can opt for a ferry trip to Monte Isola, a visit to a historical palace in the area, or a craft distillery. But be careful: if you are already nostalgic for the day before, you can also go to a third small winery!

The package includes:

- One night in a farmhouse with breakfast included
- Visit of two small and medium-sized wineries in Franciacorta
- Description of the Franciacorta method
- Tasting of five Franciacorta wines
- Dinner with tasting menu in a farmhouse or in a nearby restaurant
- Bike tour with specialized guide
- Ferry tickets to Monte Isola or, alternatively, visit to a historic palace in Franciacorta, a distillery or another small winery

Price: € 208 per person on a double basis

Note: This proposal is valid for a mini-group of at least 6 people, otherwise the quotas may vary. Depending on the date of the tour, we will propose different structures. Both proposals provide for travel with your own vehicle, independently (except for the bike tour where you will travel by mountain bike with a specialized guide).

Payment terms: 30% deposit upon confirmation by bank transfer. Balance 10 days before the arrival of the group by bank transfer.
